Falcon Feathers

January 27 - February 2, 2019

Learn. Laugh. Grow.

Principal's Message

Mrs. Mosely and Mrs. Bridger worked with Dupont to bring our students a new tool in the outdoor garden classroom! Now students can learn and interact with technology while in the garden. No more deciding to "stay in" and use technology because we are becoming a 21st century garden operation! Thank you Dupont! Our students were very excited to have the interactive Seed Survivor truck on campus. This mobile classroom reinforces our ag and garden curriculum using technology! Thank you Mrs. Mosely and Mrs. Bridger for helping us to Learn, Laugh and Grow!

What's Happening In...

3rd Grade

Third grade students started off 2019 learning about different ways to understand fractions in math. We are excited about the delivery of salmon eggs to our classroom aquariums! So far, we have observed 30 spherical, red eggs, each with a black dot, which will develop into eyes. We are patiently waiting for the eggs to hatch into the next life stage called alevin. On our upcoming field trip to Scout Island, we will release them back into the wild and hope they will make the journey back in a few years to spawn. In Social Studies, we are studying the history of Sanger's past. We learned about the Yokut, the native tribes that lived in the Central Valley. We will visit the Sanger Depot next month to bring all our learning to life. In Second Step, we are learning to manage our emotions and the steps of calming down in order to think and make smart decisions.

Better Together

Campus opens at 7:50am

This Week

Jan. 28 Peach Blossom Tryouts @3pm Room 5
Jan. 30 Early Release @ 1:20 pm
Jan. 31 Monthly Awards: Kinder 8:30-9:00

Read Across America

S.E.L. Scoop

(Social Emotional Learning)

Lunch is an important time to not only eat but also to be social with peers. Our students are reminded to do their FALCON B.E.S.T. in the cafeteria by walking, staying in line, waiting patiently, using quiet voices, helping others, and being respectful and friendly. We ask our students to be aware of the environment by cleaning their area and throwing away all items in the correct bins for disposal.

Go Green tip of the Week

Turn off your technology!

Don't just put your tech. on sleep mode - turn it off during the day, when you're not using it, and at night to save a ton of energy!

Athletics Update

Girl's Basketball

The 5th and 6th grade girls basketball team will close out the regular season with a game against Sanger Academy on Friday. We are looking to end the season strong and be ready for the playoff tournament on February 1st at SACS. Go Falcons!

Choir Boot Camp

All 5th-8th grade students are invited to participate in Sanger Unified's Choir Boot Camp on Saturday, February 9th at WAMS. This is an amazing chance for interested students to participate in choir for the day, work with music teachers from across the district, and learn a fun program of music to share with family and friends. Plus...PIZZA will be provided for lunch! Look for sign-up forms on Peachjar or pick one up from Mrs. Cooper. Please RSVP by January 31st.

Literacy Tip

Engagement Strategies

Encourage "engagement strategies" such as highlighting, using post-it notes, underlining, and developing questions as your child reads. These behaviors help to internalize the process of making-meaning and to ensure your child is doing more than reading the words on the page. Although your child should never mark in a library or school textbook, cutting post-it notes into smaller "flags" can serve a similar purpose.

Do you love art?

Get your ART ready! It's almost time for the Sanger Unified Youth Art Month competition. The art contest is open to all K-8 students, with projects due to classroom teachers by Friday, Feb. 8th.

Lip Sync

LIP SYNC is just around the corner! 4th-6th grade students are eligible to compete. Acts can be singles, duets, or up to 5 in a group. Quail Lake's competition is Monday, March 4th. The top 2 acts will move on to the district event on Friday, March 22nd. Tickets for the district event will be sold for $5 and will be available for purchase at our site show. Permission slips are available now! Please see Mrs. Graham for details.
