

# Falcon Feathers

November 25 - December 1, 2018

Learn. Laugh. Grow.

## Principal's Message

Thanksgiving is a time that reminds us to stop and give thanks! I would like to thank our staff, students, and families for all the fun and learning we have had so far this year. Everyone at Quail Lake is so happy to be a part of the Falcon Family! Please have a wonderful and safe break and we look forward to seeing everyone on Monday, November 26th! Have a Happy Thanksgiving!

Thank you to the Manzanarez family for donating this awesome popcorn/cotton candy maker to our PTO.

## What's Happening In...

### Physical Education

In middle school Mr. Villagomez is finishing up a soccer unit and Mr. Lopez is finishing up flag football! Up next after Thanksgiving is our Ballroom Dance Unit, covering the Waltz, the Fox Trott and then moving into Swing Dance!

Recently, 1st - 5th grades completed an agility ladder unit. During this unit, students practiced locomotor movements including running, hopping, jumping, galloping, and sliding (sideways). Their goals were to complete these movements in the ladders without touching any part of it. Ms. Contreras and Mrs. French noticed a great improvement in all the locomotor movements, footwork, and the overall use of the ladders.

The 6th grade classes participated in Tinikling. Tinikling is a cultural dance from the Philippines. Students participated as dancers, pole bangers and coaches. Each student was responsible for learning and teaching one of the five steps to the members of their group. Once all the steps were learned, each group performed the completed dance to the class.

### Literacy Tip of the Week

#### Questions???

Here are a few quick questions to ask your child when reading fiction books:

→Tell me about the book cover. What clues does it give you about the story?

→What's happening on this page?

→How do you think the character feels? Why?

→Have you felt like that? When?

→What do you think will happen next?

Most of all - make it a conversation and have fun!

### Go Green Tip

Reuse old water bottles or purchase water bottles that you can refill instead of tossing out a new bottle every time you need to quench your thirst. Stop by our "refilling station" in the MPR and refill your water bottle.

### S.E.L. Scoop

(Social Emotional Learning)

Our Jr. High students (grades 6-8) have their own student store that is open every other Wednesday. They can earn Falcon Feathers for a variety of positive behaviors including: classroom behavior and participation, small group participation, returning parent signed papers, homework completion, etc. There are many items to choose from: red vines, snacks, earning back Falcon Best points, homework passes, treats with teachers, and others. Ask your Jr. High student if they are earning Falcon Feathers!!!

### Holiday Book Fair Coming
